

Sulhamstead & Ufton Nerve Village Clean Up

Saturday 13th May 2017

We would request your endorsement of the following community project and permission to promote it on the community websites and post on the Parish Council notice boards. All participants will be required to sign an indemnity for events during the Clean Up.

The annual Sulhamstead and Ufton Nerve Clean Up is being organized by Melanie Curtis this year, following the very successful "Clean for the Queen" held last year. The SUN Wombles would like you to become a Womble for the day and help clean up our lovely villages.

On Saturday 13th May all the parishioners of Sulhamstead and Ufton Nerve are invited to take part in a major litter pick throughout the parish boundaries, sometime between 10am and 3pm - it need only be an hour!

1st Ufton Nerve Scout Group will be participating and helping to clean up footpaths, bridle ways and the canal tow path – Health & Safety keeps them off the public roads!

Litter grabbers, rubbish bags and routes are being provided at the Fox and Hounds (RG7 4BE) next to Hose Hill Lake, which is the meeting point. Coffee, tea and biscuits will be provided, thanks to landlady Jayne at the Fox and Hounds.
