

## Events Calendar 2017

Lots of events take place along The Ridgeway each year.

Take part in events or seek solitude – use this calendar to plan where and when to visit!

Event organisers have started working more closely with the Ridgeway Officer to plan ahead, keep everyone informed and support improvements to the Trail. This calendar sets out the major events planned for the year ahead. Details about these events and also other events can be found on our website, dependent upon event organisers informing us.

\* Events marked with a star will be using the entire Ridgeway from Ivinghoe to Avebury, or most of it. Those without a star use only part of The Ridgeway and their locations can be found online.
