

**TiM Friends 4th Anniversary
Serving the Community**

Saturday 19 August

In 2013 when we launched the service, we had a handful of volunteers and clients and we were hopeful but uncertain about how the work would develop.

We are very pleased that we presently have over 50 volunteers and over 50 clients and our reach has extended beyond Burghfield and Mortimer. It now includes Sulhamstead, Ufton Nervet, Mortimer West End and beyond.

We have some amazing success stories to tell. Our youngest volunteer is 15 and our youngest client is a 12 year old. Our oldest volunteer is 86 and our oldest client is 92.

The cooperation and support that we receive from statutory services, from other charities and groups, has been key to our success and they have been invited to celebrate this fact on Saturday 19 August at the Burghfield Methodist Church Hall RG7 3DL, along with our guest of honour, the Rt Hon John Redwood MP.

For more information about the service and how to support it contact :-
