Dear Sir/Madam

**A340 PANGBOURNE ROAD, ENGLEFIELD & THEALE – CARRIAGEWAY
RESURFACING WORKS**

I am writing to inform you that West Berkshire Council's contractor Volker Highways Ltd., will shortly be resurfacing the A340 Pangbourne Road (from the M4 over bridge to the A4 roundabout) as shown on the enclosed plan.

Work is scheduled to start on Monday 11th June 2018 and be completed on Thursday 05 July 2018 to avoid any clash with the concerts being held at Englefield.

Resurfacing will be done over 20 working nights between the hours of 08:00 pm and 05:00 am Mondays to Fridays, however if it is delayed due to wet weather then it will continue from Monday 09 July 2018.

Advanced information boards have been erected on site and whilst these works are subject to weather conditions, every effort will be made to complete these works as programmed. Should it be necessary to revise these timings, the information boards will be updated accordingly. Alternatively, you can view the current status of the scheme by visiting <https://roadworks.org/?tm=105805403> where any updates will be posted.

During the dates stated above, the A340 will be closed to all through traffic with a signed diversion in place during working hours 08:00 pm and 05:00 am Monday to Friday. The road will then reopen at 05:00 am for use as normal.

While every effort will be made to maintain access to private properties and businesses directly adjacent to the repairs, due to the nature of the works some inconvenience will be inevitable, but we will endeavour to keep this to an absolute minimum.

Continued.....

Continuation.....

If you live within the closure area, do NOT pass the ROAD CLOSED signs unless it has been confirmed that it is safe to do so from authorised site staff. Failure to do so may result in damage to your vehicle or endanger the work force.

It would be very helpful if you could also arrange for any deliveries to be made before or after the stated working times.

In the event of an emergency, the resurfacing work will immediately stop and pull over to let vehicles such as police cars, ambulances and fire engines through on blue light responses.

Please accept our apologies in advance for any inconvenience that may be caused by this essential maintenance work.

Should you have any queries regarding the work, please do not hesitate to contact West Berkshire Council's Customer Services Team on 01635 519 080.

Yours faithfully

Trevor Gibbs
Project Engineer (Projects Team)
