

## PHEW WHAT A SCORCHER!!

How lucky we were that the hottest summer since 1976 held on long enough to encourage a record number of visitors to our village fete.

This year was a truly community event, with the church, scout groups, WI, SUN school, local charities and businesses all coming together to provide a wide variety of stalls and activities for all ages. Superb entertainment was provided by Flo Pugh, Sophie Seager, The Tonyx and the Clive Fortune Big Band, all kicked off by an impressive and entertaining set by pupils from SUN primary school, led by Head Teacher Daryl Jordan.

In addition to the usual fund raising stalls, there were representatives from the Parish Councils, Ufton Court, St Mary's Church, Berkshire Wildlife Trust, Sulhamstead Police Training College, Sulhamstead Cricket Club, Royal British Legion and Guide Dogs, all presenting information about the valuable work they do.

There are so many people to thank: the stallholders and those who donated items for the raffle, tombolas and wine; the scouts who worked so hard to set up and clear the site; the barbeque-ers and tea makers who provided such high quality refreshments and of course the visitors, whose deep pockets helped SUN E to raise valuable funds for community organisations. Special thanks to PR Motors who sponsored the advertising and barbeque and to Franny and Paul Hornblow, whose overall organisation of the event made this a very special day.
